PUFFERBILLY DAYS

Written by Mary Maybee

Two years ago a popular newspaper columnist (an Iowa Boy) chose Boone Pufferbilly Days as one of the ten worst-named festivals in Iowa. The people of Boone were undaunted by this slur against them. Being very proud of their railroad origin and enthusiastic about their festival, they worked hard and in 1982 Boone Pufferbilly Days was selected as one of the ten top festivals in Iowa.

An estimated crowd of 30,000 attended last year's celebration and over that number is expected to join Boone's 13,000 residents this year.

Many months of planning by a nucleus of approximately 25 committee chairmen and the efforts of several hundred eager volunteers during the three day celebration make Pufferbilly Days a weekend to be remembered. The event is coordinated by A.J. "Toche" Terrones, Executive Vice President of the Boone Area Chamber of Commerce, the sponsoring organization.

In 1977, the Boone Chamber of Commerce Retail Committee decided to promote retail sales with a weekend sidewalk sale and street dance in the downtown area. The name Pufferbilly Days was chosen to give a theme to the event and to recognize the town's founding by the railroad. The first event was chaired by Dale Points. The idea for the event was originated by June Berg and Holly Larson, then president of the Boone Chamber.

In 1978, under the direction of Charles Klinkefus, the parade was expanded in an effort to get more people involved. At this time, Pufferbilly Days was held in late September.

In 1979 George Maybee, Assistant Vice-President and Division Manager-Iowa Division of the Chicago & North Western Railroad, arranged for excursion rides over the High Bridge with diesel engines and coaches from the Union Pacific Railroad. A new tradition was established with the Pufferbilly Days Committee honoring the retired C & NW employees. Mr. James Wolfe, president of the C & NW, came to Boone to be grand marshall of the ever growing Pufferbilly Days. Many railroad employees volunteered their time to run the train rides, which were filled to capacity each trip. Pufferbilly Days had another successful year with the flea market expanding to the park on Sunday.

The 1979 celebration was held in early October with the sale of golden spikes to fund the celebration on an ongoing basis originated by the year's co-chairmen. Chairmen Rick LePera and Dennis McFarland extended themselves and their committees and had a successful event, far greater than anyone had expected.

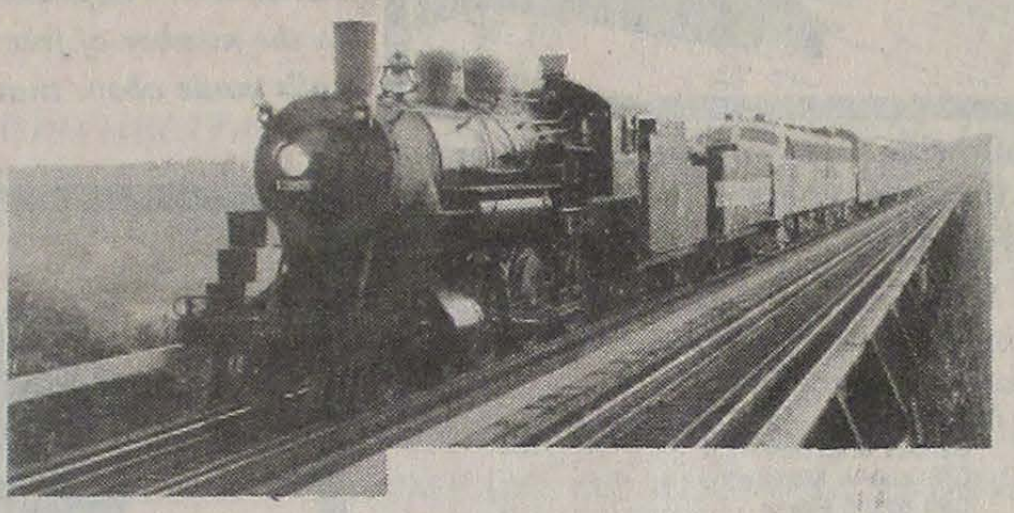

By 1980 the flea market under the expertise of Leonard O'Neil became a major attraction, luring non-Boone residents to Pufferbilly Days. This year the railroad brought in from the National Railroad Museum in Green Bay, Wisconsin the Command Cars used by General Eisenhower in Europe during World War II. The special interest of these cars is the fact that Mamie Eisenhower was born in Boone and visited an uncle, Joel Carlson, here frequently. Her birthplace had been renovated and was entered in the national historical registery by the Boone Historical Society. The birthplace had been dedicated earlier in the year.

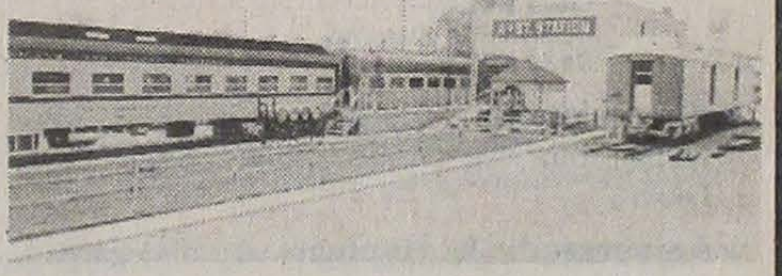

Under the guidance of co-chairmen Mel Holthus and George Silberhorn, the parade grew longer, continuous entertainment on the stage, set up on mainstreet, followed through on into street dancing at night. The Sunday program, with "Art in the Park" as its impetus, expanded to be an important segment of Pufferbilly Days attracting many families.

In 1983 the C & NW Railroad raffled off six-course dinners for six winners on their newly acquired "business car." The six lucky winners were chosen by a drawing and the dinners for them and a guest were held the weekend after Pufferbilly Days. Money from the raffle was used by the Chamber of Commerce for the next year's Pufferbilly Days. We now had a real town celebration on our hands, with many eager volunteers anxious to get involved.

Just six years old now the festival developed with surprising speed. All committees set their goals higher than ever. George Maybee announced he had made arrangments for a steam engine, from the Mid-Continent Railway Historical Society in North Freedom, Wisconsin, and rail coaches from the C & NW commuter service in Chicago, to come to Boone and once again provide rides over the newly dedicated Kate Shelley High Bridge and back - - about an eight mile trip.

The parade chairman George Eckstein made a coup d'e'tat this year by obtaining the Iowa State Marching Band to lead off the parade. The 1982 parade was two hours long and the float awards competition was very stiff with many more organizations wishing to get recognition in the now spectacular Pufferbilly Parade. The Beer and Brat Garden was housed for the first time under a gigantic canvas canopy. With so many skilled volunteers running all aspects of Pufferbilly Days, enough profits were generated to give a scholarship to two young people for the Des Moines Area Community College, Boone Campus, as well as provide funds for this year's celebration.

In 1983 the chairmen Don Reimenschneider and Lennie Bloomquist were happy to announce the Mid-Continent Railway Historical Society and the C & NW Railroad had agreed to bring back the steam engine, "Old 1385," and coaches for the Kate Shelley Express across the High Bridge. George Maybee, who was instrumental in getting the railroad's cooperation and participation in Boone's celebration of its rail heritage, was named grand marshall of the parade. With him a representative of each of the nine local railroad unions (including one national union president) were honored as parade marshalls as a tribute to the many hours of service by railroad employees to Pufferbilly Days.

Wine was added to the "Brat and Beer Garden." Pop and hot dogs will also be sold. An early morning breakfast will be available for early risers and parade participants Saturday.

The Buckskin Rendezvous is expecting its largest turnout this year. The annual 5k and 10k Pufferbilly Run is now in its fourth year and growing. The canoe races will be held on Saturday again - - a repeat of a popular event.

Again this year are bus tours of Boone County historical sites, including Mamie Eisenhower's Birthplace. Other new entries are the Pufferbilly Open, an 18 Hole Golf Tournament, and a horseshoe pitching contest.

New also this year is the 11th Street Station, located at 11th and Marshall streets. The station, a unique railroad museum and shopping mini-mall, is a very historical landmark. Built in 1908, it lives again with lots of nostalgia, and it's many shops are decorated with memorabilia from all eras of railroading. Also on the grounds are several vintage railroad passenger cars including the famous 'Kate Shelley" Pullman Parlor Car.

Puppet shows, a magic show, baseball and softball games, the ever popular spelling bee, a pet show, and tennis tournaments are just some of the events scheduled. Pufferbilly Days has something for everyone.

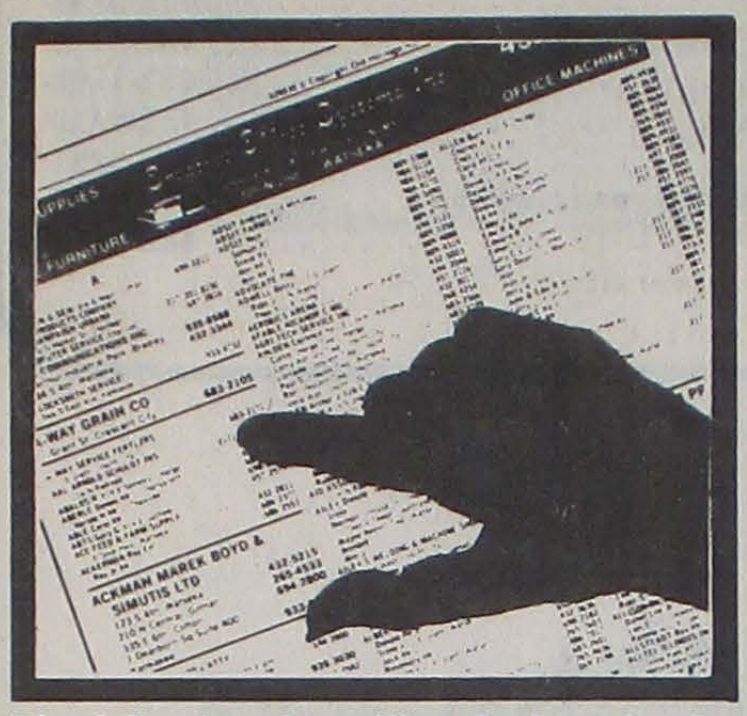

Some may say we have a funny name for our town's celebration, but we think it is the best name we could find for a town that owes its very beginning to the old Pufferbelly engines and the men that ran them. The name may be strange to non-railroad people, but in Boone we are very proud to say it is all ours. Come on home to Pufferbilly Days - - you'll love it!

The established dates for Pufferbilly Days have been established as the weekend after Labor Day

Having trouble finding a phone number?

The following tips will make it easier for you to locate numbers in the white pages of this directory:

- **Last Names** appear once followed alphabetically by individuals with the same last name; the last name is not repeated.

  CAMPBELL B L 401 S Coulter----------
  Bernice & Arthur Rt 4----------
  C E 410 W Monroe----------
  Carl 528 S Morris----------
  Charles R RR 1----------
  Cloyd J Rt 5----------
  Danny RR 2 Auxvasse----------
  David H Rt 5----------

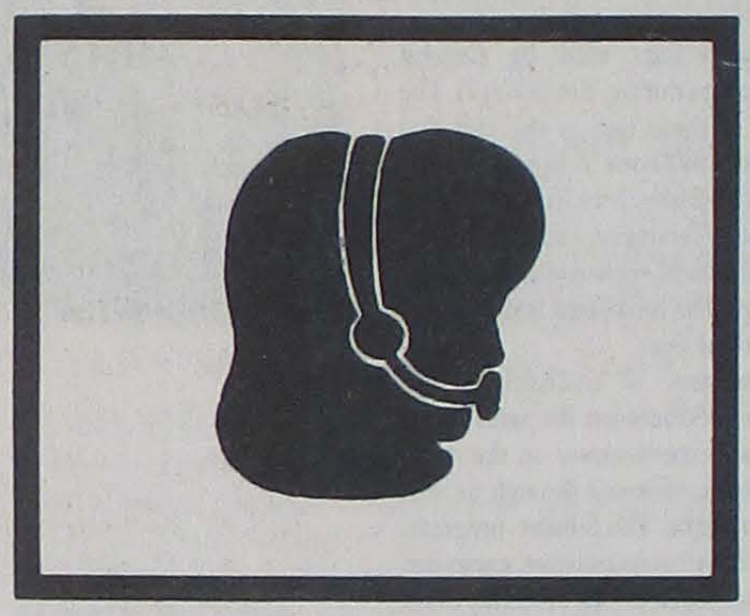

- **Abbreviations** appear as if they were spelled out: "St. Louis", look under "Saint Louis".
- **Ampersands & Hyphens** are disregarded. Look up a listing as if it were separate words: "Decatur Machine Shop, Decatur-Macon County Co-op, Decatur Manor Inc."
- **Apostrophes** are disregarded. If you want a listing for "Joe's Restaurant", look for it as "Joes Restaurant". If you think you are looking for "Smith's Implement Inc" also look for "Smith Implement Inc."
- **Government** listings - Look up government agencies under the city or county name. Federal agencies are listed under "United States".
- **Initials** precede first names: "Smith A" precedes "Smith Albert."
- **Letters in names** precede the beginning of that particular alpha section. "A-1 Auto Body" precedes "Abbott, Bob".
- **Numbers** are sequenced as if they were spelled out: "1st National Bank", look under "First National Bank".
- **Prefixes -** A name with a prefix is considered to be one word: "McDonald" follows "Mayer".
- **Spelling** of a name can vary: "Kauffman", "Kaufman", "Kaufmann"; look up all variations.
- **"The"** usually comes last: "The First State Bank" would be listed as "First State Bank, The".

Other Ways To Save on Directory Assistance:

- A new number reference is usually provided for someone who has recently moved. Call the old number and you should get a recorded message with the new number.
- If you need two numbers, ask for both at the same time. Directory Assistance will usually provide, at no charge, a second number.
- You can help the Directory Assistance operator as well, possibly saving a second call if you can provide specific information on the person you need the number for.

This Telephone Directory contains complete white page residential listings and yellow page business listings for the area shown in the map below.

100% ACCURACY

It takes time and effort to compile white and yellow page listing information, print and distribute this directory. Within that time some phone numbers in this directory have changed due to people and businesses moving in or out of the area and within the area. This is why it is impossible for any telephone directory to be 100% accurate at the time of distribution.

However, the best way for us to find these changes is for you to report them. If you live in the directory coverage area and have moved or changed phone numbers, Old Heritage would like to know.

Please fill out the form on back and mail in

WHY YOU SHOULD MAKE A CORPORATE CONTRIBUTION TO THE AD COUNCIL

The Advertising Council is the biggest advertiser in the world. Last year, with the cooperation of all media, the Council placed almost six hundred million dollars of public service advertising. Yet its total operating expense budget was only $1,147,000 which makes its advertising programs one of America's greatest bargains . . . for every $1 cash outlay the Council is generating over $600 of advertising.

U.S. business and associated groups contributed the dollars the Ad Council needs to create and manage this remarkable program. Advertisers, advertising agencies, and the media contributed the space and time.

Your company can play a role. If you believe in supporting public service efforts to help meet the challenges which face our nation today, then your company can do as many hundreds of others—large and small—have done. You can make a tax-deductible contribution to the Advertising Council.

At the very least you can, quite easily, find out more about how the Council works and what it does. Simply write to: Robert P. Keim, President, The Advertising Council, Inc., 825 Third Avenue, New York, New York 10022.
